

A RESOLUTION SUPPORTING LONG TERM EVOLUTION (LTE)  
WIRELESS IN RENO COUNTY

WHEREAS, the Board of County Commissioners recognizes the importance of having advanced mobile broadband capabilities in order to attract businesses and residents; and

WHEREAS, the Board of County Commissioners supports industry investment which bring the fastest connectivity to Reno County; and

WHEREAS, the Board of County Commissioners has been advised that AT&T's plan to bring 4G Long Term Evolution (LTE) advanced mobile broadband service to more than 97% of Americans, subject to approval of its proposed merger with T-Mobile, includes many rural communities and small towns, including communities in Reno County.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF RENO COUNTY, KANSAS THAT THIS BOARD SUPPORTS INVESTMENT IN WIRELESS COVERAGE IN RURAL AMERICA.

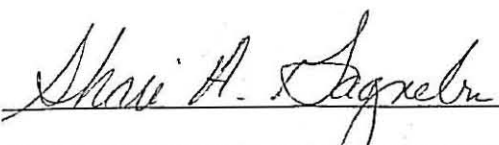

ADOPTED, this 20 day of July, 2011.
